SORT MY SCENE
www.sortmyscene.com

Welcome

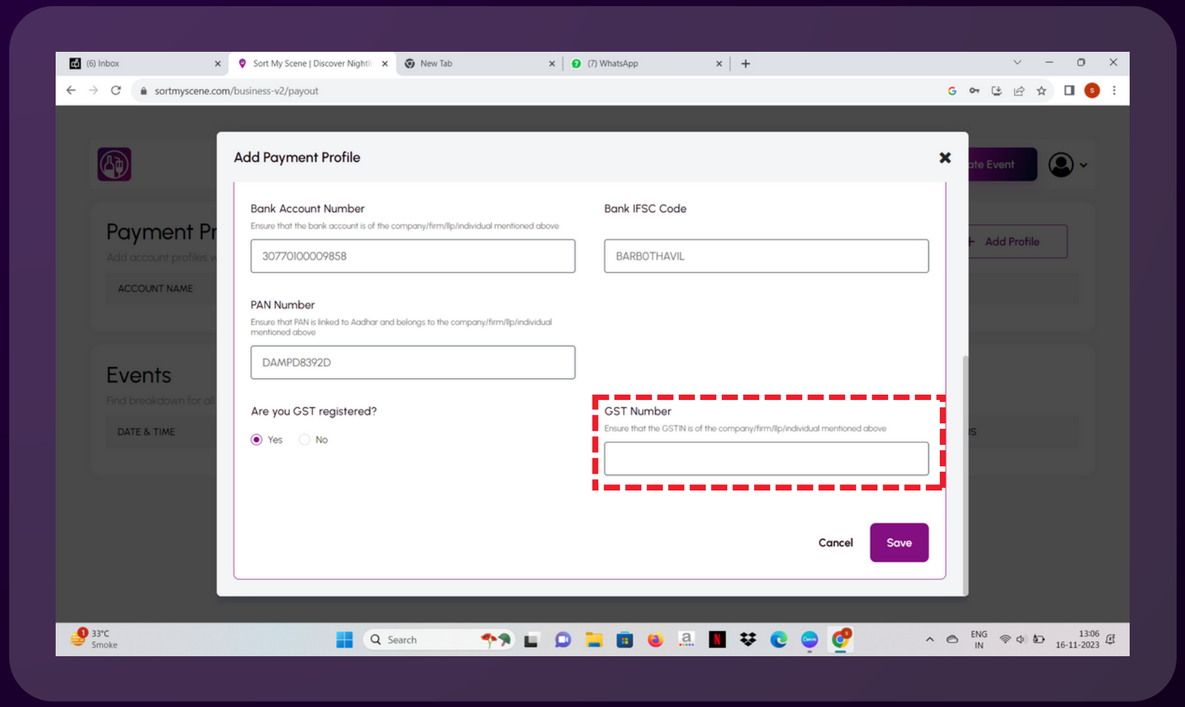

Next Steps

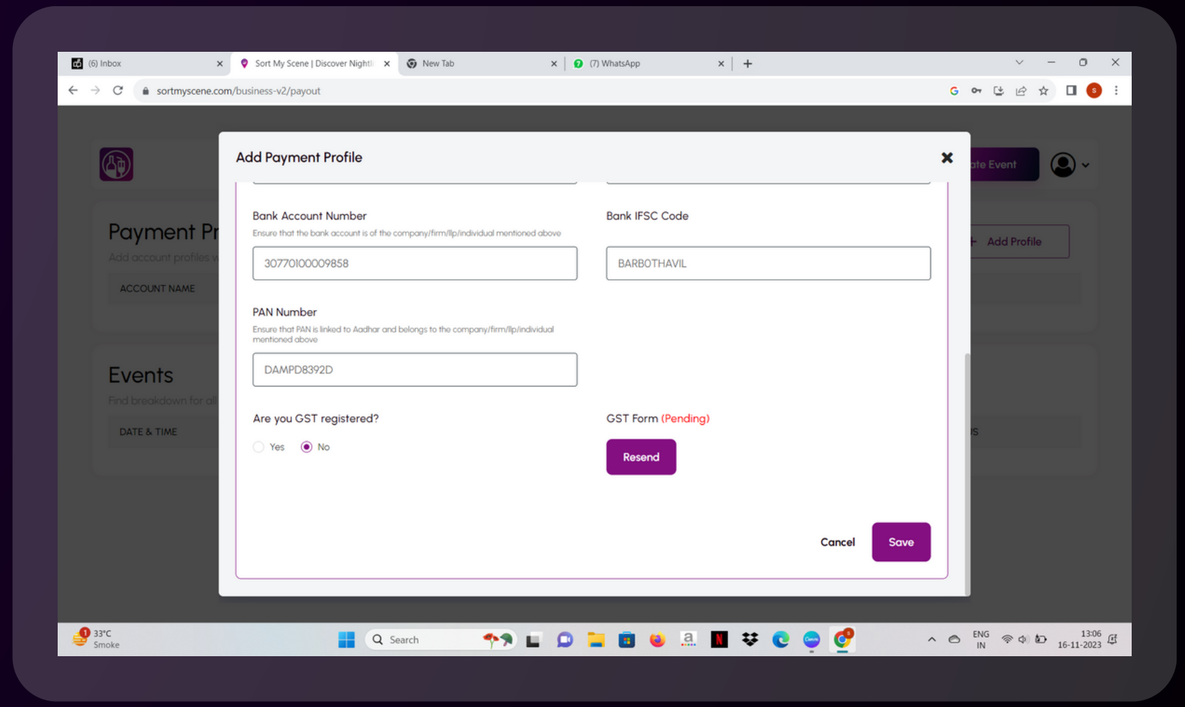

Add the Payout Details Before Creating an Event

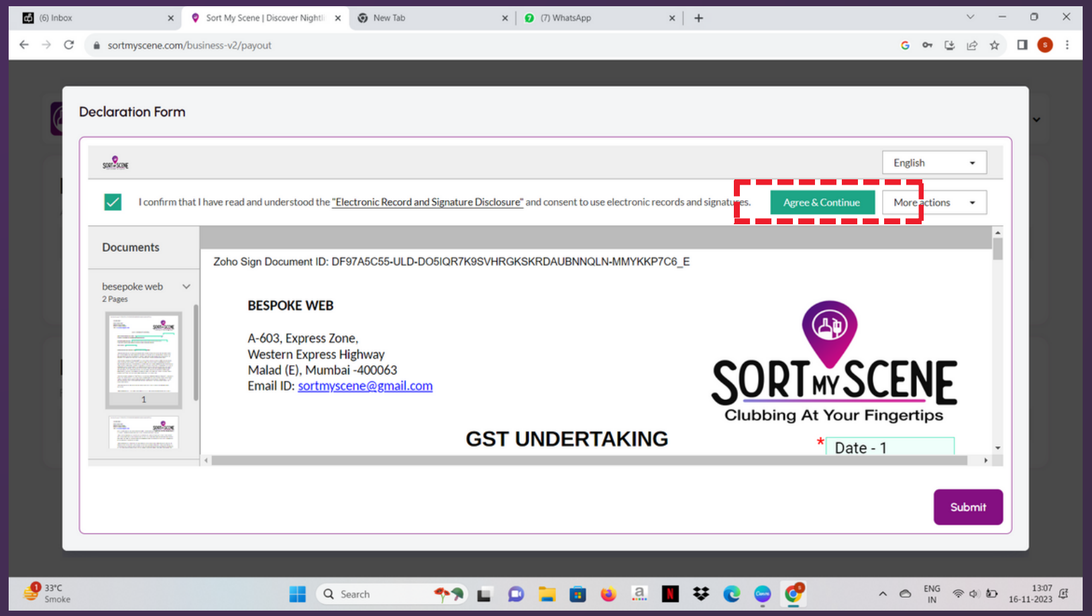

Click on add profile

After filling bank details, if you are GST registered, select **YES** and enter the GST number.

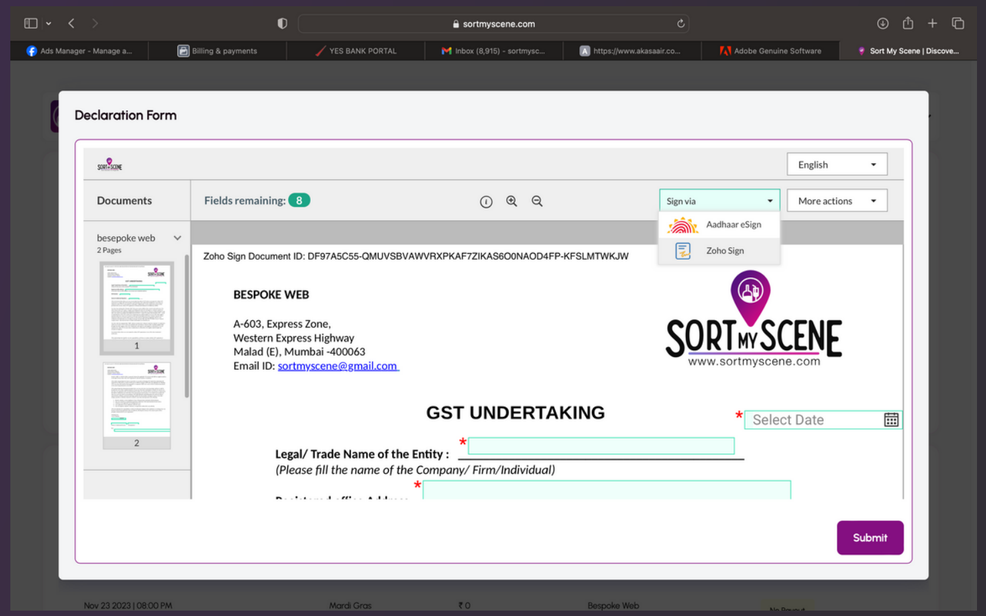

Select **NO** if you are not GST registered and a GST declaration form will pop up

Select Agree & Continue

Input the required details in every blank highlighted space on the form

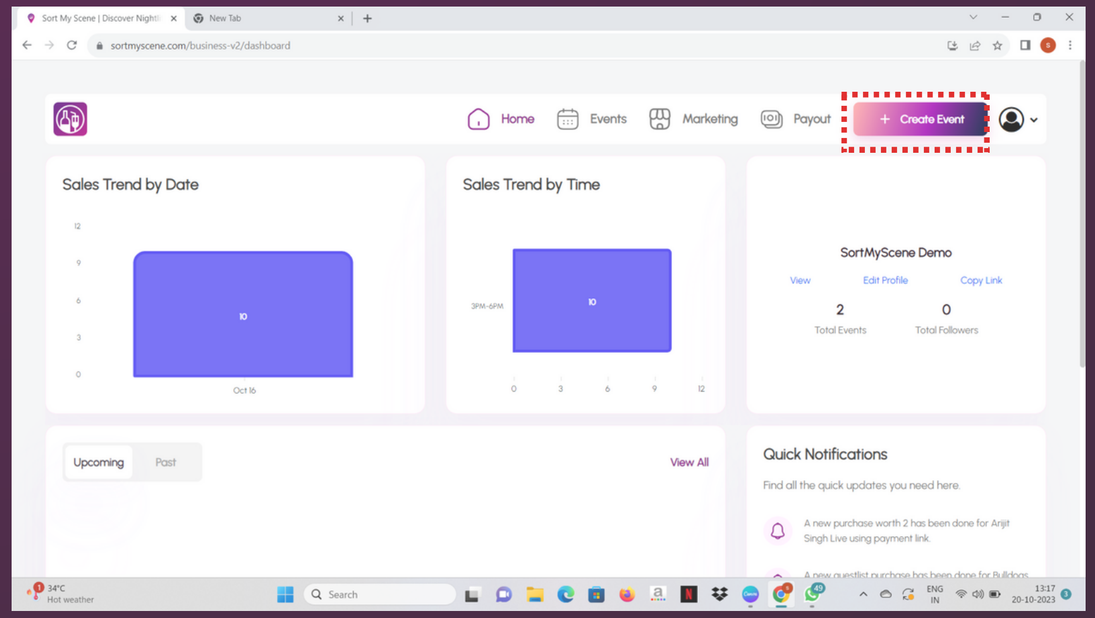

Choose to sign via **Adhaar** Sign or **Zoho** Sign.

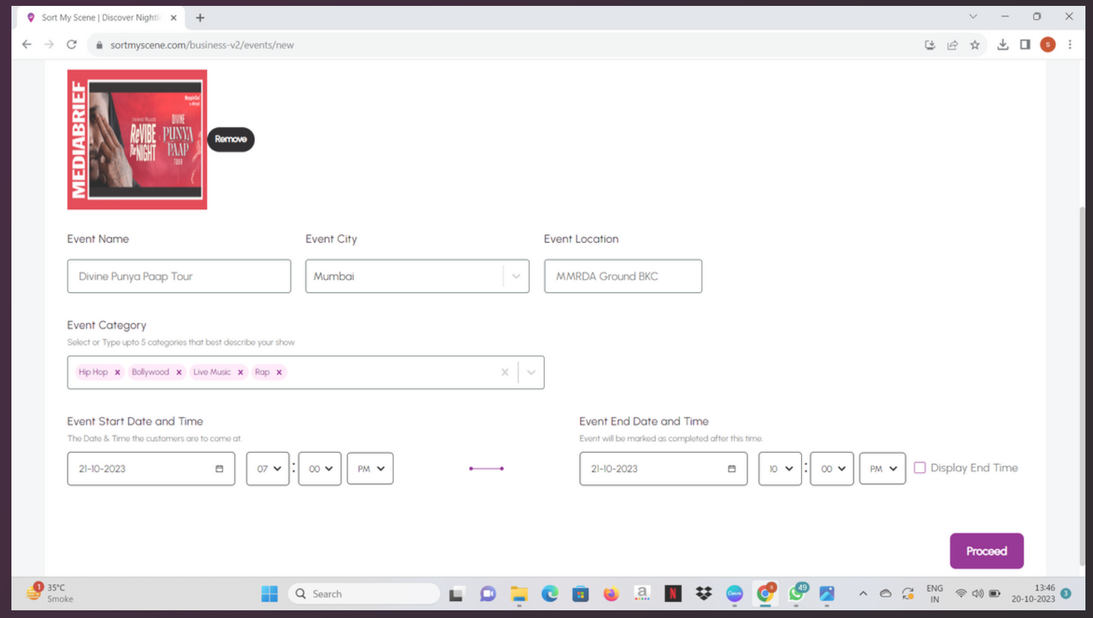

In case any one fails, try the other.

Create An Event

Let’s get you sorted

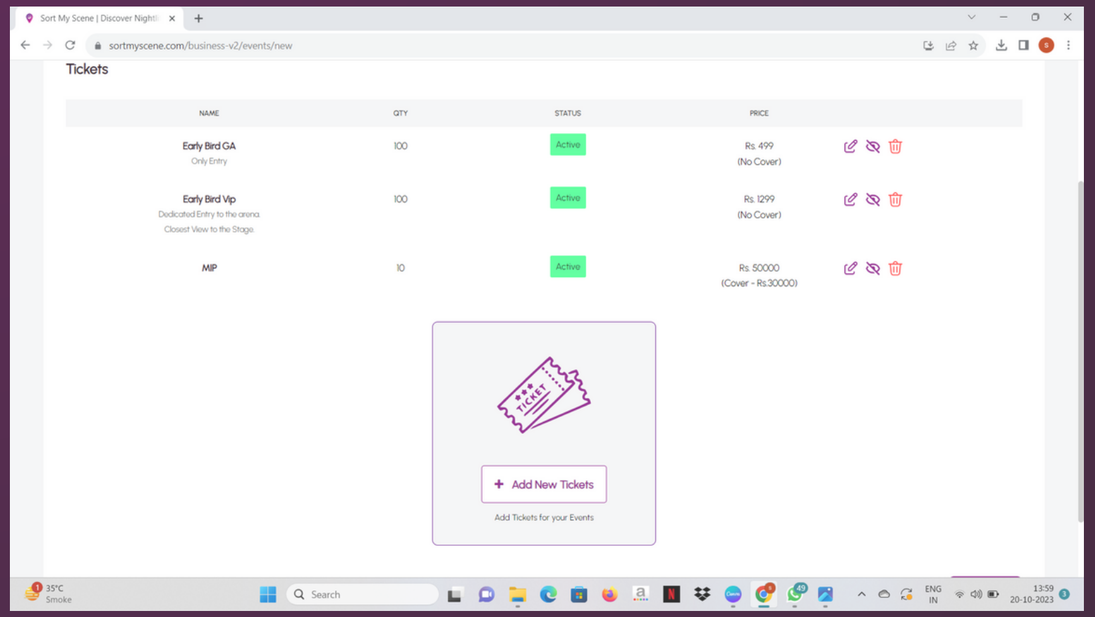

Click On Create Event

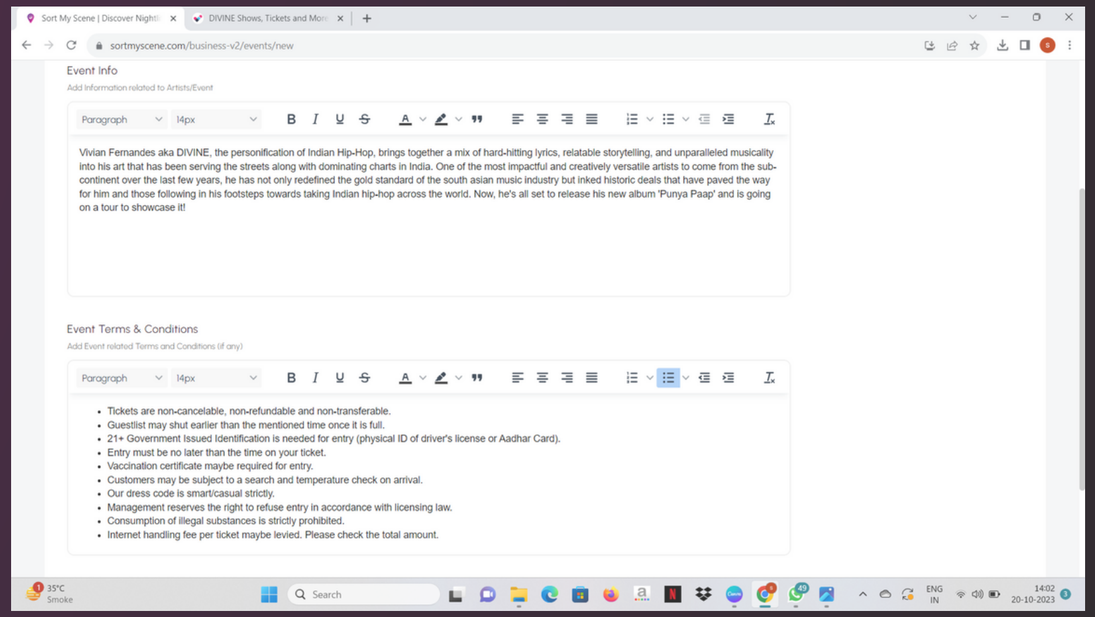

Step 1

Input all the basic event details.
If Event Location is not already there, type it in and it’ll get saved.

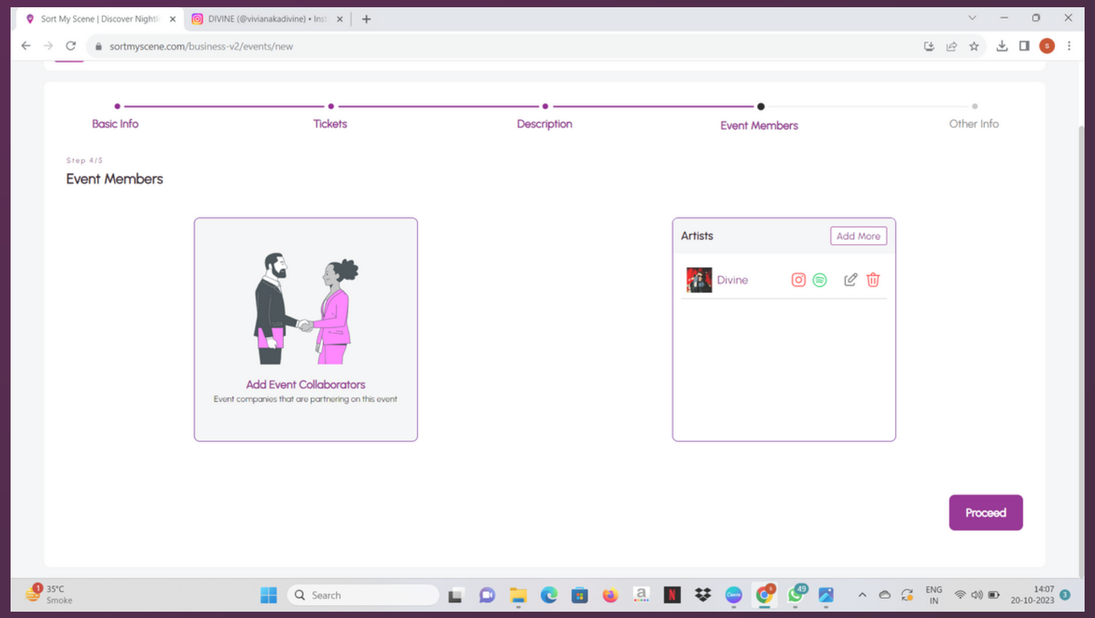

Input ticket information: Ticket Name, Price, Qty, GST % etc.

If you are **not GST Registered** or ticket value is less than Rs 499 select 0%

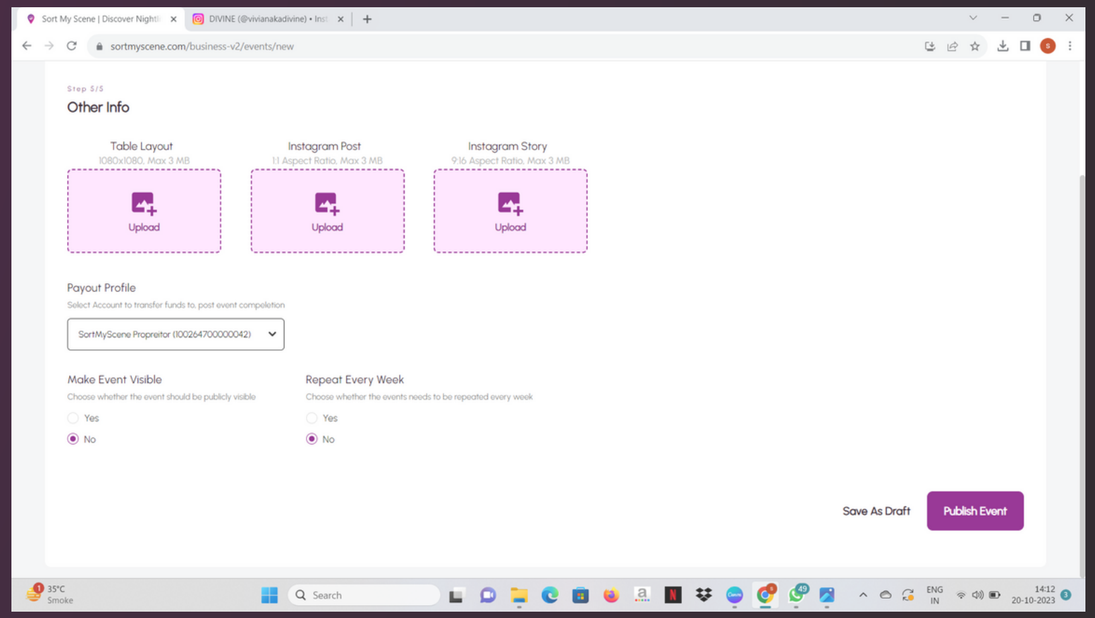

FIll the description and T&Cs.

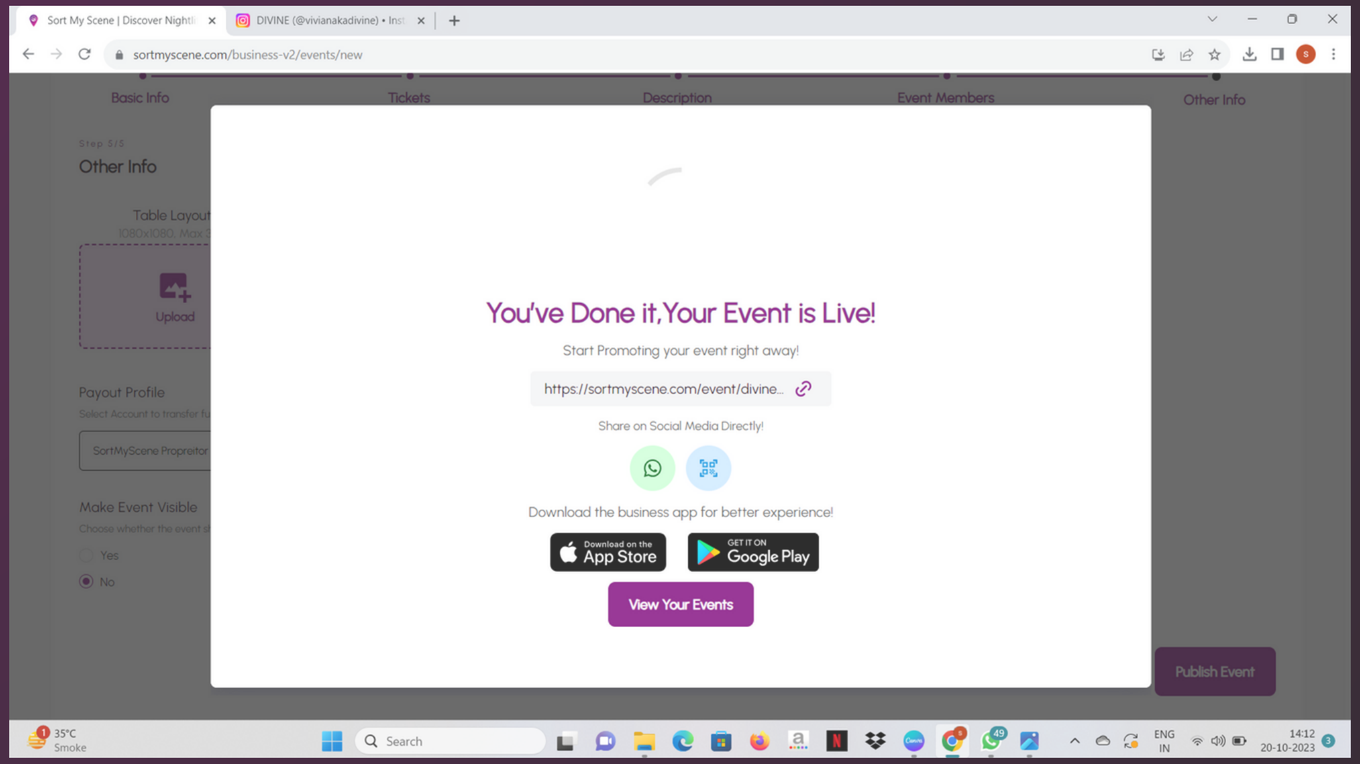

We have our default T&Cs but you can add yours as well.

Add Event Members such as:
-Collaborating Event Companies
-Artist Performing at the event

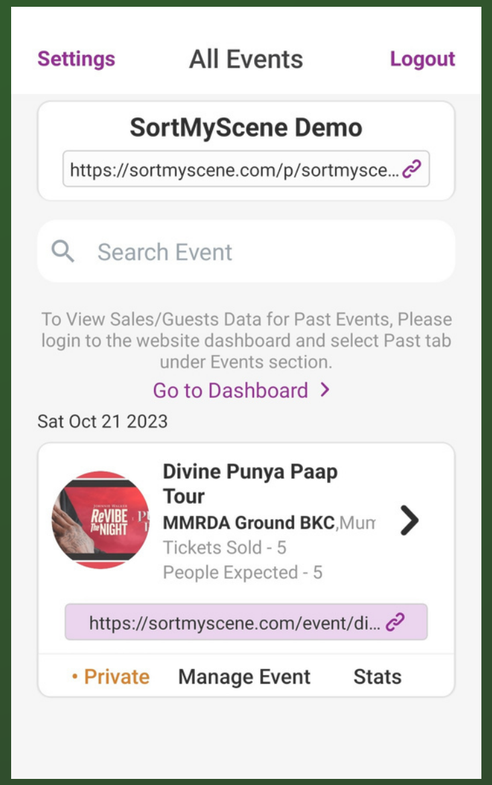

Add Creatives for SortMyScene to post
Select the **correct bank account for payout**

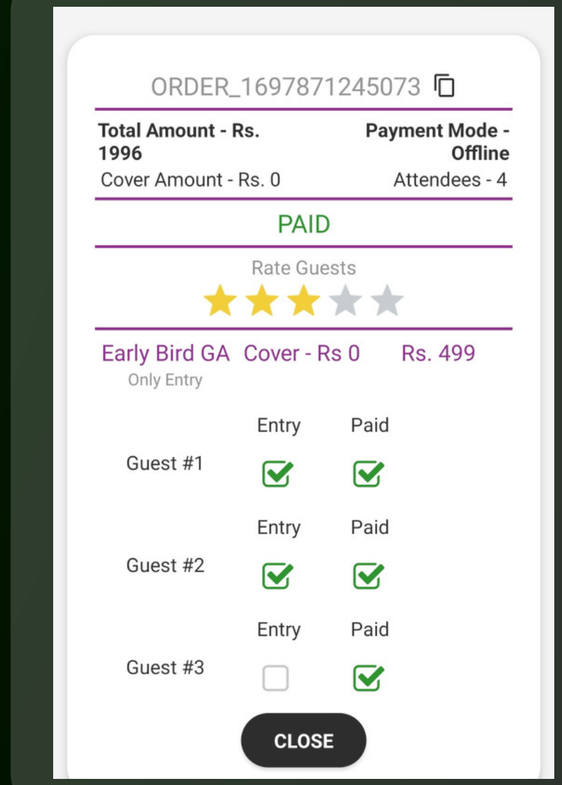

Voila! Your Event Is Now Live.

Tickets Scanning For Owner

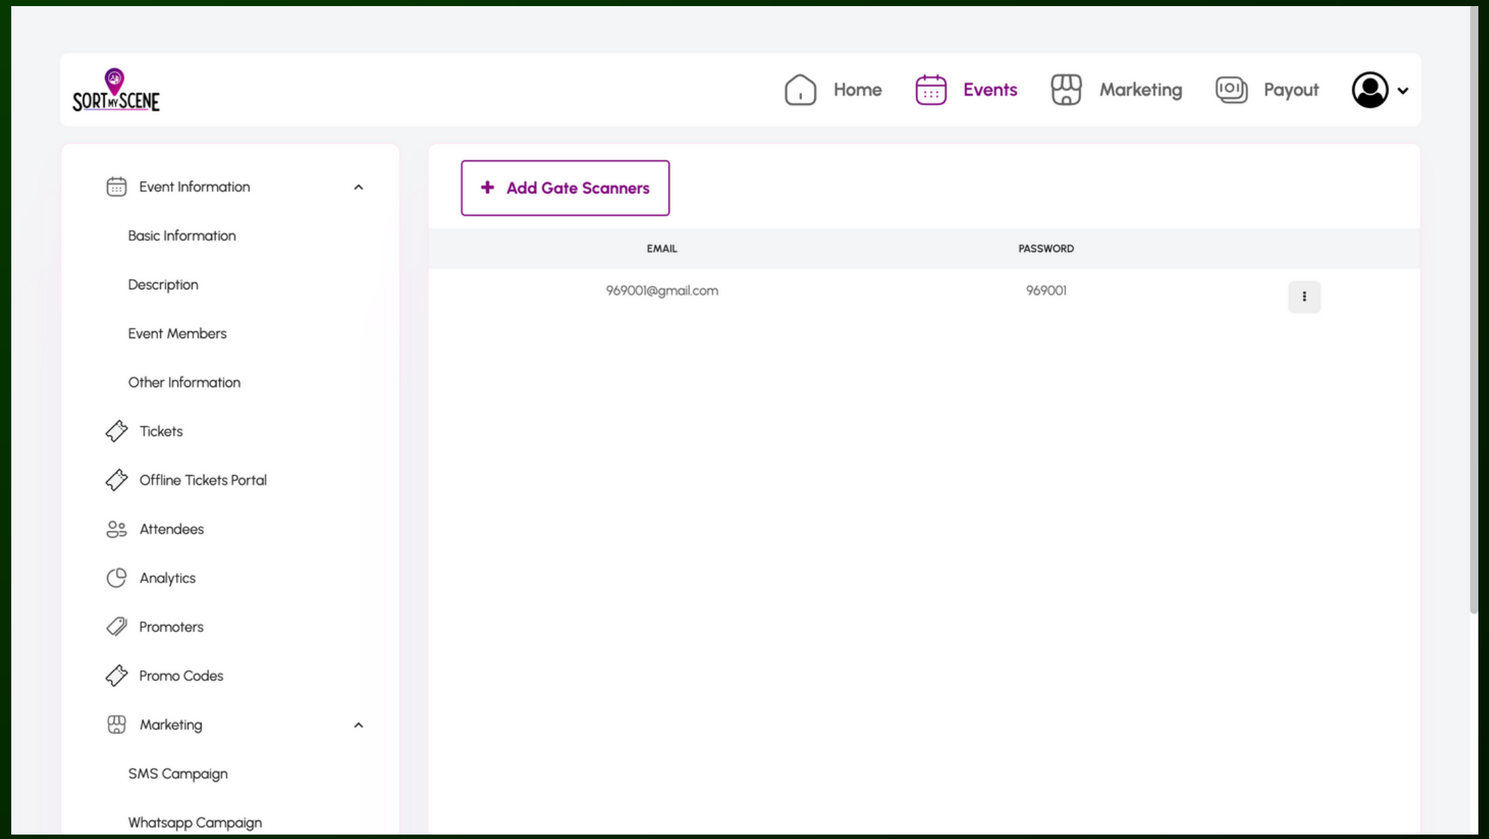

[Click here to download the **SortMyScene Business App**]

Select the event and Scan the QR code

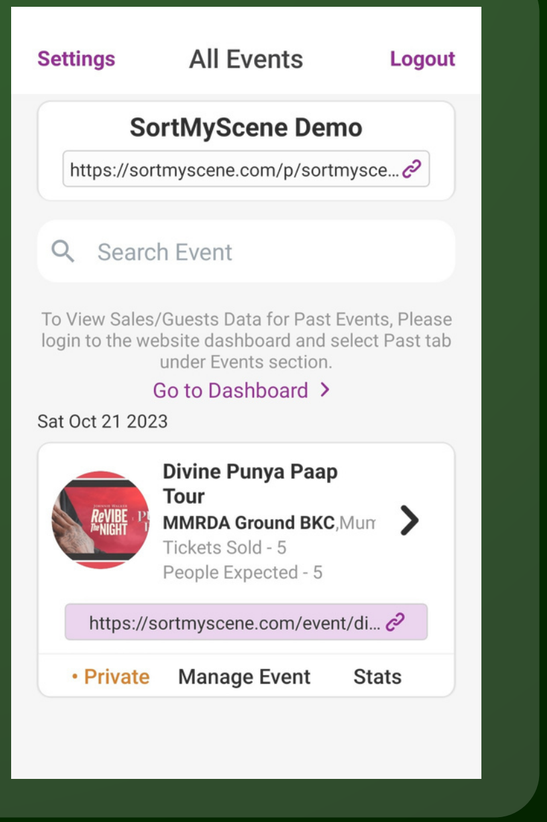

Select the no. of attendees and **close**

Tickets Scanning For Man Power

Based on **number of manpower** handling your gate add those many gate scanners by clicking on “Add Gate Scanners”

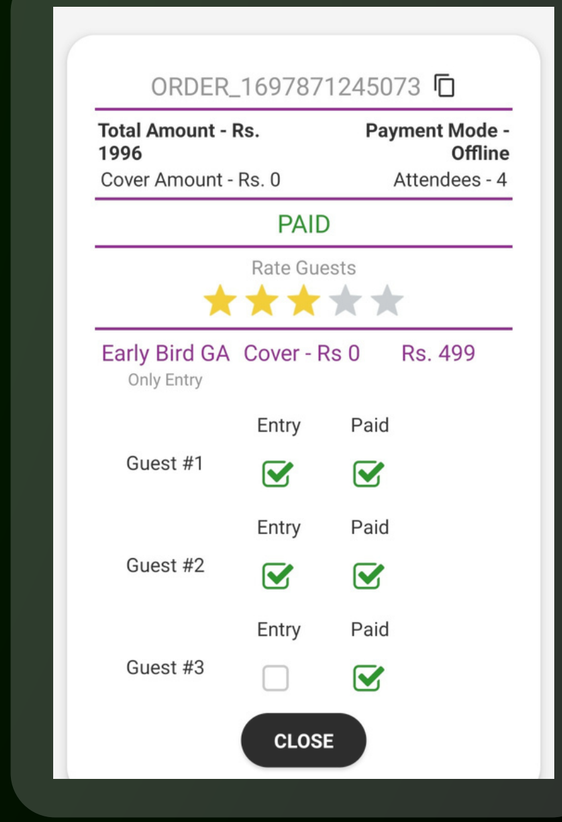

Download the **“SortMyScene Scanner”** App on their phones and login with the credentitals generated while adding gate scanners

Select the event

Scan the QR code

Select the no. of attendees and **close**

Thank You
